Srujan Kulal

VIDEO EDITOR & MOTION DESIGNER

• Mangalore, Karnataka, India • +91 77601 72150 • srujan605@gmail.com • **srujkulal.github.io/Srujan_Portfolio**

PROFILE

Video editor and motion designer with 3+ years of experience turning raw footage into story-driven content for brands, creators and events in India and the US. Edits ads, product explainers, Instagram Reels, YouTube videos, wedding films and event highlights, and adds motion graphics in After Effects and 3D visuals in Blender. Known for tight pacing, clean sound design and polished work delivered on time.

EXPERIENCE

Freelance Video Editor & Motion Designer
Jun 2023 – Present

Self-employed · Remote

- Edit ads, product explainers, Reels and motion graphics for brands and creators in India and the US, including After Effects and Blender work.
- Recent: app explainers for a US home-services software company and brand films for a Kirloskar power solutions dealer.
- Edited cinematic wedding films, teasers, highlight reels and cultural event recaps for social media.
- Handle the full post-production workflow: footage organisation, editing, colour grading, audio enhancement and delivery.

Video Editor
Jan 2026 – Jun 2026

CXM Marketing Agency

- Edited short-form ads, Instagram Reels and promotional videos for clients across multiple industries.
- Built audience retention into every edit through pacing, motion graphics, typography and sound design.
- Worked with the creative team from brief to final cut, running several client projects in parallel to deadline.

PROJECTS & VENTURES

Pixora24 Digital Invites — Founder
invites.pixora24.com

- Founded and run a digital invitation platform where users pick a template and order a personalised invite.
- Designed the templates and the full journey from template choice to payment, including the payment gateway, analytics and order dashboards.
- Create the brand's promo videos and motion content.

Kaptain Bites — Branding & Design
kaptainbites.com

- Designed packaging labels, branding assets and the company website.
- Created a 3D retail display rack render in Blender for in-store presentation.
- Advised the founder on product presentation and branding.

Tasty Bytes India — Social Media & Content
@tastybytesindia

- Managed the brand's social media presence and content strategy.
- Created promo videos, food reels and ads to grow reach and engagement.
